ANNOUNCEMENT

ALL F&B OUTLETS TO INCLUDE 7% GST IN FINAL BILLING

Please be informed that with **effect from 1 July 2016**, 7% GST shall be added to the final bill at all our F&B outlets in the Club.

This NEW pricing policy was discussed and approved by the General Committee on 4 May 2016 in response to the ever-increasing food and labour costs. The Club is thus unable to continue absorbing the GST, which started out at only 3% in 1994 when it was first introduced, and increased to the current 7% charge.

We seek the understanding of all Members and look forward to your continued patronage to our F&B outlets, as we strive to continue elevating the quality of our food and service.

INCREASE IN ADMINISTRATIVE FEES FOR OVERDUE ACCOUNTS

The General Committee is concerned that the number of defaulters are significant and on an upward trend over the past 12 months. The number of Members who received a second reminder letter, which resulted in their Club privileges being withdrawn, are also generally on an upward trend. This has caused the Club additional unproductive administrative time and effort in monitoring these Members and sending reminders.

To stem this upward trend, the General Committee has deliberated and endorsed the following fee increments **effective 1st of May 2016**, as the current fees, which had not been increased for the past 24 years, have not been an effective deterrent.

REVISED administrative fee when 2nd reminders are sent

Fee will be increased from \$10 to **\$50**.

REVISED administrative fee when 3rd reminders are sent

Fee will be increased from \$20 to **\$100**.

Letter of Demand

If a letter of demand is sent, after more than three reminder letters are sent, the cost of the letter of demand shall be recoverable from the Member.

Members are advised to keep their account in credit and encouraged to sign up for GIRO payment for their convenience. GIRO forms are available on our website or at our reception counters.
