

NOTICE ON THE DISCONTINUATION OF GOLF WEEKEND BALLOTING AND UPDATE ON THE OPENING TIME FOR GOLF TEE-TIME ONLINE BOOKING

Dear Members,

The Weekend Golf Balloting was introduced during the COVID-19 pandemic to manage the high golf utilisation rate and provide a fair opportunity for Members to secure a slot during weekends. As golf utilisation returns to normalcy, the Club finds it necessary to adapt to the changing needs of our Members.

As such, the Club is pleased to announce that, following approval from the Greens Committee, the Weekend Golf Balloting will be discontinued. The **last weekend balloting** is on **Friday, 22 December 2023**, for the **weekend of 30th & 31st December 2023**.

For the **weekend of 6th and 7th January 2024**, Members will be able to reserve weekend tee times without having to go through the balloting process.

The Club would also like to announce that the opening time for golf tee-time online booking will **continue to commence at 7:00AM**, daily, following a Members' survey which concluded on Thursday, 30 November 2023.

The survey poll reviewed that majority of the Members have been accustomed to this schedule, and therefore, there will be no changes to the existing opening time.

Thank you for your attention and continued support.

Sincerely,

Elliott Gray
General Manager
