

Online Golf Booking Guide

Applicable for Weekdays & Weekends

Please click here to read Important Terms and Conditions before making golf booking.

1) Golf Booking is open <u>7 days</u> from the preferred date of your play.

Examples:

- To book a tee-time for Monday, 8 January, members shall log-in to the TMCC Golf Booking account by Tuesday, 2 January.
- To book a tee-time for Saturday, 13 January, members shall log-in to the TMCC Golf booking account by Sunday, 7 January.
- To book a tee-time for Sunday, 14 January, members shall log-in to the TMCC Golf booking account by Monday, 8 January.

2) The TMCC Online Booking uses a "ticketing system". There is a 30-minute time window for members to "Join Ballot" from 6:30am before booking opens at 7:00am.

Join Ballot Open to entries from 6:30am.

Booking At 7:00am (when the timer hits 00:00), five members will be randomly drawn by the system to go into the timesheet to make a booking. Remaining members will be allocated a queue number to enter the timesheet.

Waiting List If the tee time is not available, members may register in the Waiting List.

ri 23 Oct	00:02:24 FRIDAY TIMESHEET O Join Ballot	All All Day	
-----------	--	-------------	--

You are in the ballot to access the timesheet. Please do not leave this page. If you open another browser window you may lose your position in the queue. Opens in 00:01:34

STEP 4

Once you have successfully joined the Ballot, please wait for timesheet to open. Please do not leave the page while it is loading.

Kindly refrain from using multiple browsers to login the balloting system. Please be reminded that you are only allowed to use <u>one browser</u> to join the Ballot.
An automated system prompt will surface if you are using multiple browsers to login: **You have added yourself to the queue more than once!**

When the timesheet opens, five (5) members will be redirected to the timesheet page and all others will receive their queue number, which will indicate their "Current Position".

As one member exits the booking page, your queue number (current position) will be reduced by one, and when your queue number (current position) reaches zero, you will be automatically redirected

to the timesheet page.
